

TIR TRAINING SERVICES LIMITED

Step by Step Guide to Get a Licence

Step 1 Medical

Once the LGV Training Pack has arrived, the first step is to book a medical with a GP. This can be done through us at a cost of £75. Take this pack along to your GP.

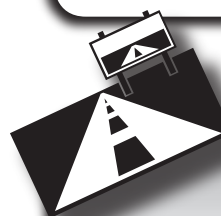

Step 6 Road Test

At the end of your LGV driver training you will then take the practical road test. GOOD LUCK!

Step 2 Fill In Forms

After your medical, send forms D2 and D4 along with your driving licence to the DVLA. The DVLA will issue you with your provisional entitlement. If you need help just call us on 08456 43 44 94.

Step 5 Training

Once you have passed your theory test, give us a call to confirm your driver training dates.

Step 3 Revision

Once you have received your provisional entitlement we can book **Module 1** (Theory) for you (case studies where required). Remember, keep revising for your LGV theory test throughout the process!

Step 4 Module 1 (Theory)

The LGV theory test consists of:

- Multiple Choice
- Hazard Perception

Don't worry, every question is covered by the book and CD-ROM provided by us.
